

SCAFP Summer Break Away & Annual Assembly
Sonesta Resort ~ Hilton Head Island, SC
June 6-9, 2024

Thursday, June 6, 2024

1:30 pm – 6:00 pm Registration Desk Open (Prefunction DE)
4:00 – 6:00 pm Exhibits Set-Up (Salon ABCD)

2:00 pm – 6:00 pm PAIN MEDICINE KSA

This activity focuses on diagnosing chronic pain syndromes in family medicine, identify pharmacologic appropriate therapy for specific conditions, including painful diabetic neuropathy, osteoarthritis, trigeminal neuralgia, and fibromyalgia, describe the use of active modalities such as exercise and physical therapy in the treatment of chronic pain, recommend appropriate pharmacologic and non-pharmacologic options for the treatment of functional chronic pain conditions, explain the indications, risks, and monitoring recommendations for long-term opioid pain medications.

Participants will complete the ABFM self-assessment test and claim certification credits for board certification.

H. Griffin Cupstid, MD, Facilitator

NOTE: Medication Access and Training Expansion (MATE) Act – Individuals who need to self-report time spent training to fulfill the one-time 8-hour training requirement should note that the ABFM Pain Medicine KSA has approximately two-thirds of its 60 total questions which address the topics of appropriate opioid prescribing, substance use disorders in those with concurrent pain, effective pain treatment planning, and substance misuse. The ABFM Pain Medicine KSA offers up to 8 credits of accredited CME.

SKIN OF COLOR WORKSHOP

(Concurrent Session) PRE-REGISTRATION REQUIRED

This Workshop will provide valuable insights into diagnosing skin conditions in skin of color that can be challenging. This interactive workshop is designed to enhance the ability of family physicians to diagnose and manage common dermatologic conditions in patients with skin of color. Participants will actively participate in the discussion as case studies are presented and review considerations for appropriate selection of procedures in patients while practicing common outpatient dermatology procedures.
