

SCAFP Summer Break Away & Annual Assembly
Sonesta Resort ~ Hilton Head Island, SC
June 4-7, 2026

3 OBJECTIVES for all 5 of the following Resident Research Presentations. Each presentation is 15 Min

- 1) Describe quality improvement and research projects by family medicine residents across the state.
- 2) Identify best practices for project implementation and presentation by residents in training.
- 3) Understand how QI projects were measured at a variety of residency programs across SC

DISCLOSURE: No Resident presenters, nor any member of their immediate family have a financial relationship or interest with any proprietary entity producing health care goods or services. The content of his material(s)/presentation(s) in this CME activity will not include discussion of unapproved or investigational uses of products or devices.
